

SERVING YOUR COMMUNITY

How do we motivate people to radical generosity and servanthood?

What Serving Looks Like For All of Us

Serving is not just **hearing** the gospel, but **seeing** it in action

Meeting needs by **organizing** projects or **organic** outreach

Serving Your Community

1. You need to figure out the needs of your community first
2. Notice what is going on around you
 - Notice the pain
 - Notice the situation
 - Notice the people
 - Notice the need
 - Notice what has happened
3. Begin
 - Start with something– it doesn't have to be big, just meet a need

Pastors and Leaders need to lead and inspire outreach in their teams
