

THE GIFT OF PROPHECY

with Special Guest Pastor Jim Laffoon

It's not business as usual – make space for God's spirit, **it's time for revival.**

The Gift of Prophecy

1. How does Prophecy work?
 - a. Our final authority is **not** prophecy, it's the **Bible**.
 - i. The Word judges everything and all prophecy must be judged by it.
 - b. The end all isn't prophecy, the end all is the maturing of the saints and seeing people saved.

How Do We Make Room for Revival

- Revival starts with you in your own personal life by asking God two things:
 1. Asking God daily for revival
 2. Asking God to fill you freshly with His spirit
- For Pastors, where can you make space for prayer in your church and space for your staff to sit in the presence of God.
- We need to create cisterns to store up and make space for the coming revival.

“My sheep listen to my voice; I know them, and they follow me.”

-John 10:27

- Part of your birthright is that God will speak to you through the Bible, His Word, and the Holy Spirit will quicken things to you if we learn to wait and be quiet in His presence.
- Ask God what He wants to say to you and then be quiet and wait for His response.

Practical Steps for Pastors to Make Room

1. Be Sensitive to Words of Knowledge
2. Unscripting and Slowing Down Worship During Services
3. Staff Gatherings Should Include More Times of Intense Worship and Waiting

Prayer and Revival Go Hand in Hand

- Your prayers seed the clouds that God is bringing
- Ask God every day to send revival to this earth and to our nation. We don't want a raindrop, we want rain.
