Prayer and Fasting

It doesn’t change the way you look; it changes the way you see.

“Oh, unbelieving and perverse generation” (Matthew 17)

- Unbelieving means you’re not connected enough to God.
Perverse means you’re too connected to the world.

“Prayer is simply communion with God and confronting the enemy.”

“This kind only comes out by prayer and fasting” (Matthew 17)

- Prayer connects you to God and fasting disconnects you from the world.

A soul fast makes you set aside the things polluting your soul and have you too connected to the world.
